adjoining area through spiritual, academic and extra curricular programs that enable them to become productive members of a complex, technological and dynamic global society. It is my long cherished dream to provide the students an atmosphere fostering an academic climate whereby students of varying abilities are offered quality educational and discipline to increase student's awareness of their social and individual responsibilities. I believe that education must enable us to respond positively to the opportunities and challenges of the rapidly changing world in which we live and work. In particular, we need to be prepared to engage as individuals, parents, workers and citizens with economic, social and cultural change, including the continued globalisation of the economy and society, with new work and leisure patterns and with the rapid expansion of communication technologies.

Vice Principal's Message

Dear Parents and students, It is with great pleasure that I welcome you all at New Happy Child Sr. Sec. School, Khor. New Happy Child Sr. Sec. School, established in 1999 is known for its amalgamation of competent and dedicated teachers, state-of art infrastructure, an idyllic setting and experienced and efficient administration. New Happy Child Sr. Sec. School is a school that prides itself on the relationship it has with community. Teacher work in partnership with our parents to provide the best education for each student. Parents are valued. The school is working towards reducing the gap between home and school so that parents and teachers are in the best possible position to support a child's learning. Combining both homely warmth and strict discipline in our school community brings about a mutual respect relationship with teachers while enhancing student's character development. Education is not learning by rote and then repeating it in the examination. Our approach is student centered and

goes beyond text books and class-rooms. We don't believe "spoonfeeding" in our quest for excellence. The school stakeholders strive that our students are encouraged and motivated to apply their learning to unfamiliar situations and think critically about different issues. We strongly believe these prepare our students for a lifelong success. It is because of this that the school has reached majestic heights. We are very grateful to our parents for their sincere involvement and unflinching support in the school. Without their single-minded co-operation between the school and home, we can't offer the holistic education towards which we are striving, "KNOWLEDGE IS TRUTH"

Thank You!

Vice Principal

Values, Purposes And Aims

We believe that education influences and reflects the values of society, and the kind of society that we want to exist in an ideal world.

We believe that education at home and at school is a route to the spiritual, moral, social, cultural, physical and mental development and thus the well being of the individual. Education is also a route to equality of opportunity for all, a healthy and just democracy, a productive economy, and sustainable development. We believe that education must reflect the enduring values that contribute to these ends. These include valuing ourselves, our families and other relationships, the wider groups to which we belong, the diversity in our society and the environment in which we live. We believe that education is a means of re-affirming our commitment to the virtues of truth, honesty, trust and a sense of duty.

School Faculty

As with everything at N.H.C. Classrooms are of the highest standards and are spacious, and air-conditioned, complete with the latest of teaching aids like Audio. Visual and video Recording facility. Projection systems and technology, that makes learning at N.H.C. a truly stimulating and enjoyable experience.

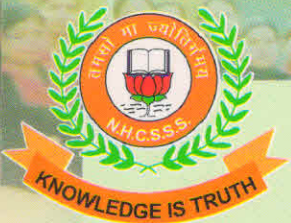

The faculty and staff are committed to:

- Preparing students to enter an increasingly challenging, complex, secular, and technological society with a thorough program which integrates intellectual development and skills acquisition
- Encouraging students to become more aware of the message of love and of their own dignity and self-worth through a variety of experiences.
- Developing in the students a greater appreciation for multi culturalism so that they can better serve the local and global community in the realization that in diversity there is dignity.
- Supporting parents in their role as primary educators and maintaining professional standards.
- Providing a positive, disciplined atmosphere which will enable students to develop respect for themselves and others as well as public and private property.

Science Laboratory

At New Happy Child Sr. Sec. School, emphasis is laid on learning through discovery, experience and learning by doing. Keeping this in mind, we have set up a spacious and a well equipped Science Laboratory. This make the learning-teaching process more effective, interesting, inquisitive and enjoyable.

Computer Education

21st Century is the age of information. In keeping with the revolutionized world of information technology, students from Class III onwards are introduced to the world of computer. Our

school provides for computer classes, enabling students to have their hands on computer. We want to ensure that all our students are well equipped with the basics of computer knowledge before leaving the portals of our school.

School Library

The school has a well-equipped library for the young academicians. It has a good collection of books for both primary students up to secondary sources. The library also maintains national and international journals/magazines and newspaper (local, regional and national) and has easy accessibility by the students. Question banks are stacked on racks for quick reference and as mode of practice to the students. The library has an ambience of learning, conducive and stimulating to the minds of the students. Students are encouraged to become erudite users of the library.

Discipline:

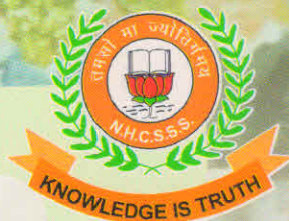

We aim to provide a flexible structure for our pupils which is positive and encourage self-discipline, but at the same time provide measures to discourage unacceptable behavior. Where pupils fail to respond to the usual range of disciplinary measures detention is automatically assigned. If problem persists, suspension is given and extreme cases expulsion may be given. In any serious discipline referral, the Principal has the authority to skip any or all of the above steps to maintain order in the school.

School Uniform

School uniform is an aid to generating a purposeful and disciplined spirit in the attitude of pupils as well as a pride in the School. Parents who choose to send their children to NEW HAPPY CHILD SR. SEC. SCHOOL, Khor are deemed to support the school uniform policy. Wearing school uniform is compulsory on all working day.

The School also works towards the development of both the mind and the body. Sports play a vital role in the lives of every child. There are both indoor and outdoor games for the students. The School attaches great importance to a varied programme of activities outside and within the ordinary class routine. These are designed to develop important traits of character, like honesty, self-confidence, co-operation and diligence and to promote latent talents for leadership and responsibility. Debates, elocution, quiz contest, dramatics, music, dance, art and craft of the culture as well as educational activities are organized during the year. Physical exercise, games and sports are also part of the general education given to the pupils.

Sports

House System

In order to realize the highest ideal of education and nurture in an all rounded personality, the school has been divided into four different houses, i.e. GANDHI, NEHRU, SUBHAS and TAGORE. Inter-house competitions are held regularly to cultivate and unearth the hidden talents and potential of the students. The school encourages and regularly conducts competitions like Dance, Debate, Recitation, Extempore speech, Skits, Quiz, and Painting etc. The main motive of the House System is to inculcate the qualities of leadership, co-operation and mutual understanding. The school expects all the students to take active parts in all the activities. The students of the four House also take turns in maintaining discipline and decorum of the school.

School Trips

And Educational Visits

Trips and visits out of school are part of a child's experience and an important part of their education. We endeavour to ensure that all children have the opportunity to take part in a visit. Parents will receive a letter well in advance of the visit giving details of the trip, cost and including a parental permission slip which must be completed in order for the children to take part.
